

Prayers by the Blessed Mother Virgin Mary (Our Lady of Uzbekistan) for the Remnant

1. Pray for the protection of the sheep of the Lord's fold, because there are some that have wandered in fields beyond the limits of protection established by the Law and by Sacred Tradition.
2. Pray for the reparation of the heart of the Virgin Mary's Son (Yeshua the Messiah). His Sacred Heart is pierced daily with the sins of those who pretend to follow him, but who deny it with his blasphemy.
3. Pray every day for the unborn, that their parents and doctors will consider their lives worthy. Pray that they are not aborted.
4. Pray for true peace in the world and pray for light to come upon the governments that are reigned over by demons through certain political leaders.
5. Pray for the conversion of those who do not keep the commandments.
6. Pray for the persecuted sheep in all places on earth. There are many sheep who worship the Father underground.
